

Jomsom Muktinath Trek - 15 Days

Jomsom Muktinath Trek is a very exciting and unique trek in the Annapurna and Mustang region of Nepal. Mustang region is famous for its unique and dry landscape with magnificent Himalayan ranges. The influence of Thakali, Gurung and Magar community can be found in this area. Kali Gandaki valley (Jomsom – Muktinath) area is situated at north of Pokhara. In addition, this region is known for some of the most abrupt altitude variations experienced in Nepal. A magnificent sunrise at Poon Hill, before descending Tatopani (hot spring) and then we encounter the World's deepest gorge, where the powerful Kali Gandaki River has cut deep through the Himalaya between the massive peaks of Dhaulagiri and Annapurna.

Jomsom is the center of Mustang region and a small airstrip is located in Jomsom from where the flights between Pokhara and Jomsom are operated daily basis. Jomsom is a large town: the administrative headquarters of the Lower and Upper Mustang region. It is also the major village along the Kali Gandaki Valley, linking the age old Trans-Himalayan salt Trade route from India to Tibet. Muktinath, located in the popular grove, is a sacred shrine and pilgrimage site for Hindus and Buddhists. The Mahabharata, the ancient epic written about 300 B.C, Muktinath as Shaligram because of its ammonite fossils called Shaligrams. Brahma, the creator, made an offering here by lighting a fire on water. You can see this miracle (burning natural gas) in a small Buddhist Shrine (Gomba) below the main Hindu Temple. From this trek we can see the beautiful mountains Machhapichhare (Fishtail), Annapurna Range, Nilgiri, Dhaulagiri and many other peaks of the Himalayas. At the end of the trip we will fly from Jomsom to Pokhara and drive from Pokhara to Kathmandu.
